The rules herein shall refer to Evans Mills Raceway Park as “EMRP”. These rules are intended to create affordable and fair competition. While they offer a good outline, every item cannot be covered by a written rule. Any questions regarding any item not specifically covered in these rules should be addressed with EMRP Officials prior to proceeding. All equipment is subject to inspection and approval by EMRP Officials. Any car part, component, and/or equipment which does not conform to the specifications or tolerances contained in the 2019 rules book or is not otherwise approved by EMRP may not be used in competition in 2019 and is subject to confiscation at the discretion of EMRP Officials.
